Dear Hiring Manager,

I am excited to apply for the **Junior Hairstylist** position at your salon. As a recently trained graduate from **MC College**, I have built a strong foundation in cutting, coloring, blonding, and styling techniques, and I am eager to bring my skills, creativity, and passion for hairstyling into a professional salon environment. I am highly motivated to continue learning, contribute to a dynamic team, and deliver excellent client experiences.

During my training at **MC College**, I gained extensive hands-on experience working with real clients in a fast-paced salon setting. I performed haircuts, blowouts, root touch-ups, solid colors, vivids, and lightening services such as foils, balayage, babylights, and double-process platinum blondes. I am confident working with the **Wella color line**, and I especially enjoy creating dimensional blondes and dramatic transformations. My experience also includes perms, roller sets, taper and fade cuts, scalp treatments, and deep conditioning services. I take pride in maintaining a clean, organized workstation and following proper hygiene and sanitation procedures at all times.

In addition to my technical skills, I bring strong communication and customer-service abilities from my ongoing role as a **Sales Associate at Popeyes Supplements**, where I build long-term client relationships, provide personalized recommendations, and support sales targets through upselling and product knowledge. These skills translate directly into creating a welcoming and professional salon experience for every guest.

I am open-minded, coachable, and enthusiastic about continuous growth. I would love the opportunity to learn from talented stylists, contribute to a positive salon culture, and help deliver the exceptional service your team is known for.

Thank you for considering my application. I would greatly appreciate the opportunity to discuss how I can contribute to your salon. I look forward to the possibility of joining your team.

Warm regards,

**Dilpreet**
